- your first day of employment; or
- the date you first are Actively at Work in an Eligible Class.

When must you enroll for insurance?

You must enroll within 60 days of the date you are initially eligible, otherwise you will be considered a Late Entrant.

If you decide later you want to enroll for insurance, you will not be allowed to enroll until the next Enrollment Period unless you have a Family Status Change.

When does your insurance start?

Your insurance starts on the later of the date:

- you are eligible; or
- you enroll and agree to make any required contribution toward the cost of the insurance; and you are Actively at Work on that date.

If you are not Actively at Work, your insurance will not start until you resume being Actively at Work.

When can you make changes in your insurance?

You may request a change in your benefit elections during any Enrollment Period after you are covered under the Policy and Actively at Work.

You may also request a change in insurance at any time due to a Family Status Change. Such request must be made within 31 days of the date the Family Status Change occurred.

You may only increase or decrease your insurance within the limits shown in the Benefit Highlights.

When does a change in your insurance start?

If you are Actively at Work, any increase in insurance or benefits (other than Family Status Changes) will start:

- on the first of the month following the Enrollment Period, when you apply for a different incremental amount; or
- on the January 1st following the date of change, for an increase in your Total Weekly Earnings.

If you are not Actively at Work on that date, any increase in insurance or benefits will not start until you resume being Actively at Work.

Whether or not you are Actively at Work, any decrease in insurance or benefits (other than Family Status Changes) will start:

- on the first of the month following the Enrollment Period, when you reduce coverage; or

Reinstatement will be effective on the latest date when all of the following have occurred:

- you agree to make any required contribution toward the cost of your insurance; and
- you are Actively at Work.

Your reinstated insurance will be subject to all the terms and provisions of the Policy.

4. BENEFIT PROVISIONS

What is the disability income benefit?

Disability income benefits are benefits paid to you to partially replace your income if you become Disabled while insured.

When do disability income benefits become payable?

We will pay you a benefit as calculated below, for a Period of Disability, subject to all the terms of the Policy if you:

- send Proof to us that you have become Disabled;
- are insured under the Policy at the time your Disability commences; and
- have completed your Elimination Period shown in the Benefit Highlights.

How is the benefit calculated for a Total Disability?

To determine the benefit we will pay each week you are Totally Disabled we will subtract all Deductible Sources of Income from the lesser of:

- the Benefit Percentage you elected multiplied by your Total Weekly Earnings;
- the increment amount you elected; or
- the Maximum Benefit you elected.

The result is your Total Disability benefit.

The benefit payable will never be less than the Minimum Benefit shown in the Benefit Highlights.

How is the benefit calculated for a Partial Disability?

To determine the benefit we will pay while you are Partially Disabled, add your Deductible Sources of Income and your Disability Earnings to your Gross Benefit for a Total Disability.

If the calculation above is more than 100% of your Total Weekly Earnings, subtract the amount in excess of 100% from your benefit for a Total Disability. The result is your benefit for a Partial Disability.

If the calculation above is 100% or less than your Total Weekly Earnings, your benefit for a Partial Disability is the same as your benefit for a Total Disability.

If you are earning 20% or less of your Total Weekly Earnings, a Total Disability Benefit will be paid. The Benefit will never be less than the Minimum Benefit shown in the Benefit Highlights unless otherwise specified in **"What happens when the Other Income benefits have been awarded or have been denied?"**.

When is the benefit paid?

The benefit will be paid as follows:

- benefits will be paid weekly following your Elimination Period as specified in the Benefit Highlights; and
- for each day for which a benefit is payable, the amount paid will be equal to 1/7th of the benefit.

What happens if you return to work and become Disabled again?

We will treat this new Disability as part of your prior Disability if you returned to work and were Actively at Work for less than:

- 30 days, if due to the same or related causes; or
- one day, if due to an entirely unrelated cause.

You will not have to complete a new Elimination Period.

Your benefit will be subject to the same terms and conditions as were applicable to the original Disability.

Your benefit will not continue if:

- your coverage under the Policy terminates; or
- you become eligible for coverage under any other group disability income policy.

If your new disability begins later than the time periods specified, you will need to complete a new Elimination Period.

When does your benefit end?

4. BENEFIT PROVISIONS

Your benefit will end on the earliest of the date:

- you do not submit to any medical examination or clinical assessment requested by us;
- we determine you are no longer Disabled, even if you choose not to work;
- you reach the end of your Maximum Benefit Duration;
- you do not provide Proof to us that you continue to be Disabled; or
- you do not provide Proof that your earnings loss is a direct result of your Disability.

In addition to the circumstances shown above, your benefit is subject to termination as otherwise stated under the terms and conditions of the Policy.

Discontinuance of the Policy during a disability shall have no effect on benefits payable for that disability, as long as the disability benefit does not end due to the items above.

How is Other Income applied to your benefit?

The amount of Deductible Sources of Income you receive will be deducted from your Gross Benefit.

Are you required to apply for Other Income benefits?

If you are, or become eligible, for any Deductible Sources of Income, you must apply for that Other Income. Any assistance in that process is not an acknowledgement that you are Disabled or have an eligible claim for benefits.

Is Other Income estimated?

We have the right to estimate the amount of any Deductible Sources of Income you are eligible to receive and to reduce your benefit by the estimated amount.

Until approval or denial is made, we will estimate the amount you would receive for any Deductible Sources of Income. That estimate will be considered your Deductible Sources of Income amount. When approval or denial is made, the benefits paid or payable will be adjusted as necessary. We will not estimate if:

- you have applied for the Other Income benefits; and
- you complete and sign the Sun Life Reimbursement Agreement.

What happens when the Other Income benefits have been awarded or have been denied?

You must notify us in Writing within 31 days of receiving notice of approval, denial or an adjustment in the amount of Deductible Sources of Income (other than for cost of living increases). If necessary we will make an adjustment to your benefit. If you have been underpaid, we will immediately make a lump sum payment to you of the amount that has been underpaid. If you have been overpaid, you must reimburse us the amount of the overpayment within 31 days of the award. We have the right to reduce or eliminate your future benefit payments until you have repaid the amount of the overpayment. During the overpayment reimbursement period, the Minimum Benefit will not apply.

What happens if you receive increases in your Other Income benefits?

After the first deduction for each of your Deductible Sources of Income benefits, we will not reduce your benefit payments due to cost of living increases you receive from any sources described as Deductible Sources of Income. This does not apply to any increase in earnings you receive from employment.

All benefits payable during your lifetime are payable to you except in the following situations:

- you are a minor. In such case, claim may be made by your duly appointed guardian, conservator or committee and we will pay to such person or persons;
- due to physical or mental incapacity, you cannot, in our judgment, give us a valid receipt for payments. In such case, claim may be made as described above; or
- you die before we pay you. In such case, claim may be made by your executor or the administrator of your estate and we will pay benefits as defined in the Benefit Provisions section of the Certificate.

6. CLAIMS

If we do not pay you and claim is not made by the appropriate person designated above, we may, at our option, make payments under either or both Methods A or B below. Any decision to pay any benefits, prior to the appointment of the appropriate person designated (as shown above), is solely at our discretion, and we may choose to pay no amounts under any circumstances until such appropriate person is formally appointed.

Method A: We may pay up to the sum of \$5,000 to any individual or entity we determine has incurred or paid expenses as a result of funeral services provided to or on your behalf. If we pay such a benefit, we will not have to pay that benefit amount again and the total benefit due under the Policy shall be reduced by the amount paid under this provision.

Method B: We may pay the whole or any part of such benefit:

- to your Spouse, up to a cumulative amount of \$5,000; or
- if you have no Spouse, up to a cumulative amount of \$5,000 to any one or more of the following relatives in the following order of priority:
 - first, your child or children;
 - then, your mother or father.

7. INSURANCE CONTINUATION

Are there any conditions under which your insurance can continue?

If you are absent due to Accident or Sickness, your insurance will be continued during the Elimination period.

- Layoff – up to 6 months
- Leave of Absence (including Family and Medical Leave of Absences) – up to 6 months
- Between Employer assignments – up to 6 months
- Strike - up to 3 months
- Vacation - based on IATSE Local 52's policy, not to exceed 3 months.

You should contact the Sponsor for more details.

While the Policy is in force, you may be eligible to continue your insurance pursuant to the Family and Medical Leave Act of 1993, as amended or continue coverage pursuant to a state required continuation period (if any). You should contact the Sponsor for more details.

While the Policy is in force, you may be eligible to continue your insurance coverage pursuant to the Uniformed Services Employment and Reemployment Rights Act (USERRA), as amended. You should contact the Sponsor for more details.

8. CONTINUITY OF COVERAGE

What happens if your Employer replaces other insurance with the Policy?

If your Employer replaces insurance provided by the Prior Policy with the insurance provided by the Policy, Continuity of Coverage benefits as stated in this section may be available to you. These benefits will be available as long as the insurance and level of benefits under the Prior Policy were substantially similar to the insurance provided by the Policy.

What if you are not Actively at Work when your Employer replaces your Prior Policy with the Policy?

You will be covered under the Policy if you are not Actively at Work on September 1, 2024 and:

- you were insured under the Prior Policy on the day before September 1, 2024;
- you are a member of an Eligible Class;
- premiums for you are paid up to date; and
- you are not receiving or eligible to receive benefits under the Prior Policy.

If you become Disabled and were never Actively at Work while covered under the Policy, any benefit payable will be the lesser of:

- the weekly benefit payable under the Policy; or
- the weekly benefit payable under the Prior Policy had it remained in force.

What if you had a Pre-existing Condition prior to your coverage under the Policy?

You will be given credit under any Pre-existing Condition exclusion under the Policy for the time you were insured under the Prior Policy. The credit will apply to the extent that the previous coverage or level of benefits was substantially similar to level of benefits under the Policy.

Are Disabilities due to a Pre-existing Condition covered?

Benefits may be payable if, on or after September 1, 2024, you become Disabled due to a Pre-Existing Condition provided you were:

- Insured under the Prior Policy on the day before September 1, 2024; and
- Actively at Work and insured under the Policy on September 1, 2024.

Any benefit payable will be determined as follows:

- if you have satisfied the Pre-Existing Condition requirement, the benefit will be based on the Policy's benefit provision.
- if you cannot satisfy the Pre-Existing Condition requirement, the Prior Policy's pre-existing condition provision will be applied and
 - if you would have satisfied the Prior Plan's pre-existing condition requirement, considering time insured under both policies, any benefit payable will be the lesser of:
 - the benefit payable under the Policy; or
 - the benefit payable under the Prior Policy had it remained in force.
 - if you cannot satisfy the Pre-Existing Condition requirement or if the pre-existing condition requirement under the Prior Policy would apply, no benefit will be paid.
